Mount Zion Hotel, Jerusalem

The Israeli-German Hand Surgery Conference will take place on May 14-15 2017, in beautiful Jerusalem.

The scientific program will include updates on the following topics:

- Treatment of Complex Fractures
- New Techniques and Technologies in Hand Surgery
- Complex Hand Injuries and limb mutilations due to War and Terror
- Advances in Hand Therapy
- Strengthening Hand Surgery – Education, PR, International Cooperation etc.
- Free Papers

A concurrent program for **hand therapists** will be held on the second day, focusing on the **manual edema mobilization technique**.

Dear colleagues,

The Israeli-German meeting will host both German and Israeli specialists in Hand Surgery to strengthen international scientific exchange and academic cooperation. We invite colleagues from both societies to submit abstracts until February 15th 2017 to contribute to the meeting at the congress website and/or to participate in the scientific discussions. The scientific program and registration form will soon be available on the organizing company's internet site (InStyle Events - instyle-events.co.il) as well as issh.org.il.

To submit an abstract please go to – <http://www.issh.org.il/conferences-2/>
Kind regards
