## **XVI. WRIST SURGERY COURSE**

**May 13 - 14, 2022**

---

**Dear colleagues,**

We are delighted to inform you that the **XVI. Wrist Surgery Course** will be held at the IRCAD France in Strasbourg on **May 13-14, 2022**.

Some might think everything is solved in Osteoarthritis of CMC1, but once you have had a look to the program, you will understand that many arguments could raise our interest. In addition, all aspects of Prosthesis in Hand Surgery shall be discussed.

We will discuss these aspects at the IRCAD in Strasbourg.

For selected participants, we will continue with our double workshop on anatomical specimens.

The first 40 registered participants will be admitted.

The course will deal with either open or arthroscopic surgery.

We very much look forward to seeing you in Strasbourg, for what is sure to be an exciting and productive symposium.

For further information, please contact [wrist.eits@ircad.fr](mailto:wrist.eits@ircad.fr)

Kindest regards,

**Prof. Max Haerle - Clinic for Hand and Plastic Surgery**
